SUMMARY

I am Vidya Sagar, a B.Tech CSE student passionate about MERN stack development. I have a keen interest in building responsive and user-friendly web applications using MongoDB, Express.js, React, and Node.js. With problem-solving skills and eagerness to learn, I am dedicated to improving my technical knowledge and gaining practical experience.

EDUCATION

Bachelor in Computer Science and Engineering | 2023-2027

Senior Secondary:

Swami Vivekanand Group of Institute | CGPA : 8.53

- S.R.K.G college Sitamarhi, Bihar | 2022-2023

Percentage: 84.4%

- Held the position of Vice-Captain in School Sports, demonstrating leadership, teamwork, and organizational skills.

PROJECTS

Full Stack Development:

Full Stack Developer (Self Projects) | Jan 2025 – Present

1.Appointment Booking App (Full Stack)  <https://frontend-doctor.onrender.com>

- Full-stack platform for users to register/login and book doctors.

Tech Stack: React.js, Tailwind CSS, Node.js, Express.js, MongoDB.

2.ElectroMart (Full Stack) | Sep 2025 – Present  <https://electromart-iivz.onrender.com>

- Developed a full-stack Electrical Shop web application using React.js, Tailwind CSS, Node.js, Express.js, and MongoDB for managing electrical appliances.

3.My portfolio showcases full-stack projects using React, Node.js, Express, and MongoDB with responsive design.
